Mr. Michael Emerson
Memorial Originator & Project Manager
San Francisco Bay Area Flight 93 Memorial
Hayward, California

Dear Mr. Emerson:

I applaud your efforts to remember the Flight 93 passengers with a memorial dedicated in honor of these heroic individuals. The Flight 93 Memorial, to be located in Sugar Mill Landing Park in Union City, will serve as a reminder of the indebtedness we feel for the courageous crew and passengers who gave their lives during one of the darkest days in our nation's history.

The Flight 93 Memorial will be a vision permanently imbedded in the minds of all who see it for years to come. It will be a historical place of reverence and gratitude.

In honor of the Flight 93 Memorial, I will be pleased to have a United States flag flown over the U.S. Capitol. I will make sure you receive the flag and the certificate in the coming weeks.

My thanks to you, as the originator of the idea for the memorial, and thanks to all who have joined you in support of the San Francisco Bay Area Flight 93 Memorial.

Sincerely,
